## PowerPoint Millions Game

### Install

Macro security must be set to medium or Low in earlier versions or in version 2007 "Disable with prompt".

**\*\*IMPORTANT\*\* Close PowerPoint before continuing**

With PowerPoint CLOSED run the installer (msi) file to install the Add In. If you have 2007 the new toolbar is in the Add Instab. Please do not change the install path. If the toolbar does not appear, then In 2002/3 Tools > Add Ins > Add New and add Millions2.ppa. In 2007 get to the same dialogue in Office button > PowerPoint Options > Add Ins > Manage PowerPoint Options.

Toolbar

### To Use

First prepare your text file with the questions. You can use Notepad for this. If you use Word you MUST save the file as a .txt file.

Your text should look like this

Question Text,Correct ans,option ans,option ans,option ans

Continue until you have 15 questions. DO NOT leave blank lines between questions.

#### Example

The Capital of the UK is?,London,Berlin,Paris,York  
How many pints in a gallon?,8,4,6,2  
etc

Once you have created and saved the text file >>

#### Next Step

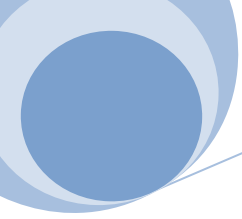

Click on the magic wand in the new toolbar.

You will be prompted to enter a name for your game and then to navigate to the text file.

Once the text file loads the game will be written and saved to your desktop. If necessary you can use File > Open to modify fonts etc.

The game defaults to Dollars but by clicking on the \$ sign in the toolbar you can change to GB£ or Euros
